

LOOKBOOK

Winter 2020

GABYLOU®

GABYLOU®

Gabylou is the brand of a small Belgian family business wanting to satisfy women in search of a quality product, **affordable** and ... **comfortable!**

Gabylou was born with the desire to democratize the comfortable boot and turn it into a fashionable item!

'You feel comfortable'

Fashion for all! Gabylou was created in 2018 with a clear objective: to give all women the opportunity to wear high boots, high heels, modern booties and to be fashion whatever

their morphology is, and always worrying about their every day wellness.

No more dictates and fashion restrictions. No more «no» and no more frustrations.

A PROPOS

*' All our
productions
are made
from «A to Z
« in European
factories '*

Each product is designed in Belgium. Our team of stylists is constantly in contact with the latest trends. Our design and care in the workmanship, the choice of leathers, always **top quality**;... ll these values make of all our model «premium» items. The quality of each Gabylou item is the brand's flag. All our productions are made from «A to Z « in European factories.

Find the **pleasure** of wearing high boots, boots with heels, pretty boots, even if you have wide calves or sensitive, wide feet, and this ... All day, ... and all night! 'Woaw, those boots'! That is our mission! During a long day at work, a night out, a family walk, a shopping day with friends, ... no more aching feet, no more pressure on calves! Gabylou is «THE» brand designed for active women. Gabylou has deeply studied each model. Each one of our proposals is the result of an exploration work: trends, the choice of materials and the constant desire to build a «pleasure footwear» brand.

WIDE CALVES BOOTS

Noella

The Noella boot is the classic and essential riding model signed Gabylou. The choice of superior leather, the European production (Portugal) and the Belgian dassing, as well as the classic tones, are the ingredients that will make Noella your best choice of style and quality. Gabylou minutely designs the models of boots for wide calves and optimizes, for each model, an easy footwear and an absolute comfort.

Lola

The Gabylou Lola laces clising boot is the perfect mix of originality, style, quality and comfort. Made in Portugal in a high quality plain leather, designed in Belgium, the client wearing the Lola boots will be delighted to be able to wear them both with a casual and dressy styles. Gabylou makes every article taking big care of customers with wide calves, thinking of comfortable measurements, using soft leather and enabling an easy fitting of every product ; this will make our customers happy.

Mathilde

The Mathilde riding style boots are a smart choice for their look. They perfectly match with a slim, but also with a dress or skirt. Thanks to the quality of the leather and the Portuguese know-how, this Belgian design will delight our client with its comfort and its elegance. GabyLou pays particular attention to the comfort, the quality and the suppleness of the leathers to perfectly fit the wide calves. The back lacing system allows the user to adjust the boot to the morphology of her calf. Wearing these boots will delight our customer caring about quality and comfort.

Marine

' Woaw, those boots! '

The Marine boots will be the ideal choice for the client who wants to highlight her femininity, while privileging the comfort, the quality and an easy fitting. Our models are developed in Belgium, with European leathers and produced in European factories (Portugal), with recognized know-how.

The Marine model is designed for wide calves and for customers wanting to take a little height. The comfort of the product, is the best ally of the style: to try them is to adopt them!

LILY

Lily is the model of Gabylou dressy boots; a great choice, in which the Belgian design, the Portuguese production, the first quality leather and the comfort that Gabylou offers to each of his creations come together. The Lily model is designed for wide calves, and is designed to fit easily and to be used at any time obtaining a touch of undeniable style. Our client will feel beautiful and comfortable.
